Re: **Monroe Energy, LLC – Trainer Refinery**
40 CFR 60, Subpart QQQ
Ultra - Low Sulfur Gas (ULSG) Unit Initial Start Up Notice Certification
Title V Operating Permit No. 23-00003

Dear Mr. Rebarchak:

Per 40 CFR §60.698(b)(1), Monroe Energy, LLC Trainer Refinery is submitting notice of certification that equipment and controls necessary to comply with the NSPS QQQ standards in the Ultra-Low Sulfur Gasoline Unit have been installed and inspected within 60 days of the September 30, 2017 commissioning date of Unit .

Hereafter, ULSG Unit QQQ required inspections will be performed in accordance with the standard and any finding and repairs will be included in semiannual reports.

If you have any questions or comments regarding this report, please contact Stephani Ski Szymanski, Environmental Engineer, at (610) 364-8073.

I certify that, based on information and belief formed after reasonable inquiry, the statements and information contained in this form are true, accurate, and complete.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Ruggiero".
